ABOUT ME

A Computer Science student specializing in Software Engineering at BINUS University. Beyond technology, I'm passionate about creativity, design, teaching, people, and turning ideas into meaningful experiences. Through UI/UX projects, AI exploration, event management, mentoring, and teaching English, I've learned to combine technical thinking with creativity, communication, and collaboration.

EDUCATION

BINA NUSANTARA UNIVERSITY BEKASI

July 2022 - Present

Major: Computer Science – Software Engineering
IPK: 3.39

ORGANIZATION

SENI TARI MAHASISWA BINA NUSANTARA

 - Coordinated across divisions to ensure the smooth execution of the event.
 - Monitored preparation progress and handled technical issues during the event.
- **Human Resources Development Coordinator** April 2025 - February 2026
 - Designed and managed human resource development programs within the organization.
 - Coordinated the recruitment process and onboarding for new members.
 - Built healthy internal communication among members and committee executives.
- **Head of Event Division - STAMANARA P2M** May 2025 - August 2025
 - Led and directed the event division team in planning and executing community service activities.
 - Prepared rundowns, event concepts, and task allocations for team members.
 - Evaluated event execution to identify areas of improvement for future programs.
- **Project Manager of STAMANARA Benchmarking** May 2025 – September 2025
 - Managed the entire benchmarking project end-to-end, from planning and execution to evaluation.
 - Coordinated cross-divisional teams and ensured every phase stayed on schedule.
 - Served as the main point of contact between internal teams and external stakeholders.

FRESHMEN CHAPERONE BINA NUSANTARA

July 2025 – June 2026

- **Freshman Leader FYP BINUSIAN B2029** August 2025 – September 2025
 - Guided and directed a group of a dozen freshmen throughout the orientation program.

- Introduced the campus environment, academic system, and BINUS culture to freshmen.
- Acted as a mentor and main point of contact for group members during their transition to university life.
- **Freshman Partner FYP BINUSIAN B2029** September 2025 – June 2026
 - Accompanied freshmen throughout their first year of university as an academic and social mentor.
 - Provided guidance and support during their adaptation to campus life and the BINUS academic system.
 - Communicated and internalized BINUS core values to freshmen for application in both academic and organizational settings.

ENGLISH TEACHER RUANGGURU ENGLISH ACADEMY August 2026 – Present

- Teach English to students ranging from **kindergarten to adult learners**, adapting teaching approaches to different ages, abilities, and learning needs.
- Teach **IELTS preparation**, focusing on English proficiency and test-oriented strategies.
- Create engaging and supportive learning environments that encourage students to actively participate and communicate.
- Adapt lessons, explanations, and activities based on students' needs and classroom dynamics.

COMPETITION

3rd Place Winner – UI/UX Design Competition HIMPTI Universitas Bina Insan

- Designed **Nexa**, a user-centered mobile application interface centered around the theme Campus Face.
- Conducted user research, wireframing, and interactive prototyping using Figma to enhance the overall digital campus experience.
- Collaborated within a team to craft visual identity, design systems, and present the final pitch to judges.
